**Harry W. Moore**  
U.S. Coast Guard

I enlisted on May 11, 1945 at St. Louis, Missouri and was assigned to the Coast Guard Cutter NORTHLAND. We were sent on the Greenland patrol where I was a SK3/c pay clerk. After the NORTHLAND was decommissioned, I was transferred to the Pay Section of the Curtis Bay, Maryland Training Station. I was awarded the European-African-Middle Eastern Area Campaign Medal for service aboard the USCGC NORTHLAND. I was sent to St. Louis, Missouri on May 18, 1946 for discharge. My parents were the late Ray and Carrie Moore of Farmersville, Illinois.
